## FORTH Electronic 3-Phase Active Meter model GEM-345AMR

FORTH has designed the GEM-345AMR to be able to link into the AMR system thru PC by using a billing software.

## **Technical Specifications:**

Phase/wire connection : three-phase 4-wire

Rated current : 15(45)A, Direct connected

Rated voltage :  $3 \times 220(380)$ V

Accuracy : class 1 (IEC 62053-21)

Reference frequency : 50 Hz

Consumption

 $\begin{array}{lll} \text{- voltage circuit} & : & \leq 1.0 \text{w} \\ \text{- current circuit} & : & \leq 1.0 \text{VA} \\ \text{Starting current} & : & 0.4\% \, \text{Ib} \end{array}$ 

Constant : 400 imp/kWh Communication : RS485 Interface Operating temperature : -25°C to +65°C

Dimension : 285mm x 175mm x 89.5mm
