

2015 RECREATION **GTI™ SE 130 / 155**

The GTI SE models come with numerous standard features that make them the most popular for families looking for great days on the water. Features like a touring seat, VTS™, reboarding step and more. Plus, with iBR® you ride with more confidence and control.

NEW Maldives Blue & White ●

Black & Sunshine ●

NEW Manta Green & White (130 Only) ●

RIDER CAPACITY

Weight capacity..... 600 lb / 272 kg

DIMENSIONS

Fuel capacity..... 15.9 gal / 60 l
 Length..... 132.6" / 336.8 cm
 Width 48.5" / 123.1 cm
 Weight (dry)..... 790 lb / 359 kg
 Storage capacity 30.8 gal / 116.6 l

HULL

Type..... GTI
 • Medium-sized platform
 • Moderate V hull
 • Forgiving and nimble

ENGINE

Type..... 1503 Rotax® 4-TEC® engine (130)
 1503 NA Rotax 4-TEC engine (155)
 Intake system..... Naturally aspirated
 Displacement..... 1,494 cc
 Cooling..... Closed-Loop Cooling System (CLCS)
 Reverse system iBR with electronic brake, neutral and reverse
 Starter..... Electric
 Fuel type 87 octane

iBR (INTELLIGENT BRAKE & REVERSE)

FOLD-DOWN REBOARDING STEP

VTS (VARIABLE TRIM SYSTEM)

DRIVING CENTER WITH ECO™ MODE

TOURING SEAT

RETRACTABLE SKI PYLON (OPTION)

GTI SE 130 / 155

ENGINE

- 1,494 cc four-stroke, 1503 NA or 1503 Rotax 4-TEC engine provides reliable performance in fresh or salt water, increased torque at low RPM, optimized power at all RPM levels and throttle positions.
- Rotax with four valves per cylinder
- iTC™ (Intelligent Throttle Control) .. Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features an activity-specific Touring, Sport and ECO modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.
- iControl® Learning Key® The programmable Learning Key allows you to limit the performance of the PWC based on rider skill level.
- D-Sea-Bel™ system Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.
- Closed-Loop Cooling System Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.
- Handlebar-mounted Engine starts and stops with single, start/stop button user-friendly control button.

FEATURES

- iControl The "Brain" that integrates and controls all systems to create the best possible ride.
- Touring mode / Sport mode Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride - ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides all acceleration performance for a more aggressive throttle response.
- ECO mode This iTC function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.
- 3-up seat Comfortable room for three – permits rear-facing spotter for watersports.
- Elevated fuel filler Easy access and prevents water intrusion while refueling.
- Interactive Multifunction Digital Information Center Reports 23 key operating functions: Fuel level, Tachometer, Speedometer, Touring mode, Sport mode, ECO mode, Hour meter, Compass, F-N-R indicator and more.
- RF D.E.S.S.™ Key Now with radio frequency technology and a new ball-and-socket design, the new Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.
- Off-Throttle Assisted Steering (O.T.A.S.™) Provides the operator with additional steering effect in off-throttle situations for greater maneuverability.
- Sponsons
- Bumpers
- Tow hook
- Footwell carpets
- Wide-angle mirrors
- Rear grab handle
- Dual drain plugs
- Flush kit
- Emergency floating lanyard
- Seat strap
- Operator's guide, instructional video and booklet

PROPULSION SYSTEM

- iBR (Intelligent Brake & Reverse) system Sea-Doo's exclusive on-water braking system, iBR lets you stop up to 100 feet sooner than competitive units¹. All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.
- Stainless steel impeller Delivers improved acceleration, higher top speed and less cavitation.

SE PACKAGE

- Fold-down reboarding step Makes reboarding from the water easier and quicker.
- Additional gauge functions VTS, Fuel consumption instant & average, Clock.
- Touring seat Ergonomically designed for comfort and great looks providing ultra-plush seating for three.
- Swim platform carpet with Sea-Doo logo
