

# 2015 LUXURY GTX<sup>†</sup> LIMITED iS™ 260

Tailor your ride just the way you want it to go longer in all conditions with our industry-exclusive intelligent suspension and a more powerful engine for stable and predictable performance aboard the luxurious GTX Limited iS 260. On this watercraft, luxury and convenience come standard for the ultimate on-water experience.

NEW Anthracite Grey & Manta Green ●

## RIDER CAPACITY

Weight capacity..... 500 lb / 227 kg

## DIMENSIONS

Fuel capacity..... 18.6 gal / 70 l  
 Length..... 139.2" / 353.5 cm  
 Width ..... 48.2" / 122.4 cm  
 Weight (dry)..... 1,030 lb / 467 kg  
 Storage capacity ..... 16.4 gal / 62 l

## ENGINE

Type..... 1503 HO Rotax® 4-TEC® engine  
 Intake system..... Supercharged with external intercooler  
 Displacement..... 1,494 cc  
 Cooling..... Closed-Loop Cooling System (CLCS)  
 Reverse system ..... iBR® with electronic brake, neutral and reverse  
 Starter..... Electric  
 Fuel type ..... 87 octane – minimum  
 91 octane – recommended

**iTC / iBR / iS / S<sup>3</sup> / CLCS / ECO**

## HULL

Type..... S<sup>3</sup>  
 • Longer platform  
 • Rough water inspired deep-V hull  
 • Stable and predictable

iS® (INTELLIGENT SUSPENSION)

DRIVING CENTER INCLUDING iS MODE

TOURING SEAT

SPEED TIE™

LIMITED PACKAGE

SNAP-IN FENDERS (OPTION)

# GTX LIMITED iS 260

## ENGINE

1,494 cc four-stroke, Rotax with four valves per cylinder	Supercharged, external intercooled 1503 HO Rotax 4-TEC engine provides reliable ultra-high performance in fresh or salt water, increased torque at low RPM, optimized power at all RPM levels and throttle positions.
iTC™ (Intelligent Throttle Control) system	Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features an activity-specific Cruise control, Touring, Sport and ECO™ modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.
iControl® Learning Key®	The programmable Learning Key allows you to limit the performance of the PWC based on rider skill level.
D-Sea-Bel™ system	Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.
Closed-Loop Cooling System	Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.
Handlebar-mounted start/stop button	Engine starts and stops with single, user-friendly control button.

## FEATURES

iControl.....	The "Brain" that integrates and controls all systems to create the best possible ride.
iS..... (Intelligent Suspension)	Allows the hull to move independently of the upper deck, isolating rider and passenger from the impact of rough water. The Intelligent Suspension features 6 inches of travel, electronic adjustment, manual or automatic modes, docking position and Touring calibration for a smoother ride at cruising speed.
S <sup>3</sup> Hull®.....	Stepped, stable & strong. The stepped design reduces drag and keeps you glued to the water.
Touring mode / Sport mode.....	Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride – ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides all acceleration performance for a more aggressive throttle response.
ECO mode.....	This iTC function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.
Touring seat.....	Ergonomically designed for comfort and great looks providing ultra-plush seating for three.
Footwell carpets with Sea-Doo logo pattern	Offer extra comfort, non-skid surface and great looks.
Reboarding platform with rear storage	Easy access to battery, fuses and storage.
Fold-down reboarding step.....	Makes reboarding from the water easier and quicker.
Ski tow eye.....	For easy and secure attachment of ski rope.
Watertight, removable storage bin	Provides dry storage for luggage and necessities with easy access.
Tilt steering.....	4 adjustable steering angles for maximum ease and comfort.
Interactive Multifunction Digital Information Center	Reports 33 key operating functions: Fuel level, Tachometer, Speedometer, Hour meter, Compass, Clock, Fuel consumption instant & average, Touring mode, Sport mode, ECO mode, Cruise control, Slow mode, VTS preset, Suspension settings: auto and manual mode, Suspension dock mode, F-N-R indicator and more.
RF D.E.S.S.™ Key.....	Now with radio frequency technology and a new ball-and-socket design, the new Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.
Off-Throttle Assisted Steering (O.T.A.S.™)	Provides the operator with additional steering effect in off-throttle situations for greater maneuverability.

## FEATURES CONTINUED

Quick latch fuel filler design
Hinged seat
Sponsons
Bumpers
Wide-angle adjustable mirrors
Swim platform carpet with Sea-Doo logo
Reboarding handles on rear platform
Rear grab handle
3-up seat
Seat strap
Front splash deflector
Dual drain plugs
Engine access cover (removable)
Flush kit
Emergency floating lanyard
Operator's guide, instructional video and booklet

## PROPULSION SYSTEM

iBR (Intelligent Brake & Reverse) system	Sea-Doo's exclusive on-water braking system, iBR lets you stop up to 100 feet sooner than competitive units! All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.
Stainless steel impeller	Delivers improved acceleration, higher top speed and less cavitation.

## LIMITED PACKAGE

High-performance electric VTS™ (Variable Trim System)	Provides pre-set positions for quick settings when adjusting boat trim, maximizes acceleration and high-speed stability.
Additional gauge functions	Depth finder, Time / Distance to empty, Altitude indicator, Water temperature.
Speed Tie™	Automatic retractable mooring lines eliminate the hassles of traditional docking lines.
Removable dry bag	Keeps contents dry and converts to backpack when removed.
Safety kit	Contains all the essential safety equipment.
Glove box organizer	Ideal to keep gear or cell phone dry; removable and watertight.
Watercraft cover	Protect your PWC.
Exclusive coloration	For extra style and premium look.

## OPTIONS

Removable wakeboard rack
Ski mode
Top / average speed / RPM
Lap timer
Engine temperature
Sandbag anchor
Bilge pump
Fire extinguisher
Fender
Sea-Doo Move trailer

## WARRANTY

BRP limited warranty covers the watercraft for one year.
