Automatic hand sanitizer dispenser (Spray type)

Product Specification

Model	FS-SD101A
Unit size	L132xW85xH240mm
Carton size	560x485x265mm
Vol	600ml
Material	ABS
Unit weight	738g

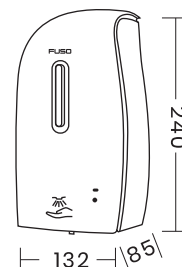

Technic Parameter

Working voltage	DC6V
Working current	≤700mA
Sensing distance	2-12cm
Stand by current	4pcs AA batteries

FUSO
Delight your life

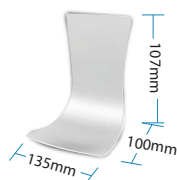

I : Dispensing volume is 0.5 (ml)
II : Dispensing volume is 1.0 (ml)
